To Whom It May Concern,

It is with pleasure that I write this letter of reference for Gillian Kornacki. Gillian was my teacher candidate at Walkerville Collegiate Institute, for her second teachable, English.

Gillian is an extremely hard working, conscientious and enthusiastic worker. She brings this drive into the classroom with an energy that is engaging and infectious. Gillian created lessons that included a variety of activities that encouraged and engaged a variety of learners and learning styles. She developed a positive rapport with students in a short amount of time, demonstrating her sensitivity and care for students' learning, and well-being.

Furthermore, Gillian was fully engaged inside and outside the classroom environment, contributing to the school's community as a whole.

Gillian Kornacki will make an excellent addition to your school staff, or workplace.

Sincerely,

Lisa Donaldson
